

31 DAYS OF PRAYER 2025: ***Building A Solid Church***

The strength of any church is not found in its walls, programs, or platforms, it is found in its people, united in prayer and grounded in God's Word. A solid church is built on the foundation of Jesus Christ, strengthened by faith, and held together by love. Prayer is the cement that binds us to God's purpose and to one another.

As we begin this 31-day journey of prayer, our desire is to see the Church, **our church**, stand firm, grow deeper, and shine brighter for the glory of God. Each day will guide us to pray intentionally for the spiritual health, unity, leadership, outreach, and impact of the body of Christ.

This is more than a prayer plan; it is a call to partnership with God in building His Kingdom on earth. As we seek His face together, we believe that hearts will be renewed, faith will be strengthened, and our church will be equipped to stand as a beacon of light and hope in our community.

Let's commit these 31 days to prayer, fasting, and reflection asking God to **build His church** in us and through us, one prayer at a time.

"Unless the Lord builds the house, the builders labor in vain." — *Psalms 127:1 (NIV)*
